Contact us for color samples.  
Other colors available at additional cost.

Model: Push-pull 45 mm

Fits: Bottle with 45 mm neck opening

Height: 37 mm

Standard colors:

Contact us for color samples.  
Other colors available at additional cost.

Model: K2 45 mm

Fits: Bottle with 45 mm neck opening

Height: 42 mm

Standard colors:

Contact us for color samples. Your own color combinations are possible with a minimum order of 5,000.

Extras: Tube

Function: Bendable extension tube which retains its elasticity, even in cold temperatures. The tube makes the sports bottle extra flexible to use when you're wearing a helmet or similar protective equipment, for example. Simple to fit onto the cap and just as easy to remove.

Fits: All Push-pull and K2 caps

Length: 115 mm

No./bag: 10

Color: Black
