

Explore our new DT range Tailored for Quick Connectors

Center Pull Plug (DT)

The new DT product range consists of ergonomically designed plugs with a center pull handle. The length of the plug ensures tight internal closure during the transportation, storage and assembly processes, whereas the flange protects the external surface.

- **25 mm Handle:** designed for providing easy grip and removal,[?] even with working gloves
- **Perfect for the counter parts with an o-ring** due to rounded plug shape at the bottom that protects the o-ring from damage
- **Made of LDPE:** also available in **bioplastics**
- Suitable for automotive industry: **fuel and fluid lines**
- **7 sizes:** from 6,35 mm up to 15,9 mm

Size	Part number
6,35 mm	DT0064A-AA10A
8 mm	DT0080A-AA10A
9,5 mm	DT0095A-AA10A
10 mm	DT0100A-AA10A
11,8 mm	DT0118A-AA10A
15 mm	DT0150A-AA10A
15,9 mm	DT0159A-AA10A
